

# OFFICE SOLUTIONS

WillScot offers a wide selection of mobile offices readily available to meet a variety of space needs. Flexible and versatile, mobile offices come in several sizes and floorplans and can be easily relocated from one job to the next.

## The Mobile Office Solutions Leader

Onsite construction trailers, well-appointed sales centers, multi-story portable offices – whatever you need, WillScot is your single source. We offer the industry's widest range of modular offices, readily configurable for short or long-term leases. Our turnkey solutions make it easy for you to quickly implement workspace that's immediately functional, so you can stay focused on working your project, being productive and meeting your goals.

WillScot is committed to providing high quality office space and fast, dependable service. Mobile offices can create a secure, more efficient jobsite for any project.

Accommodate engineers, architects, and road crews during each phase of a project

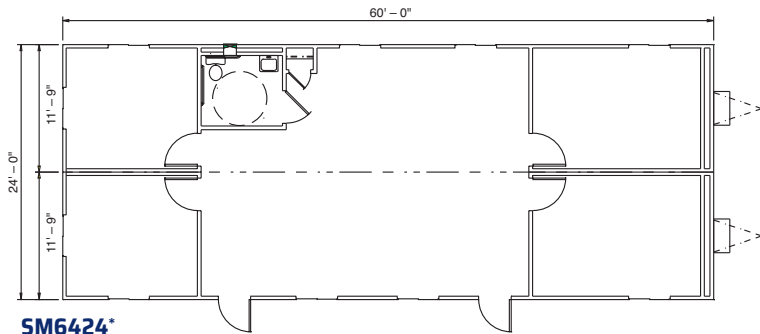

Provide on-site conference rooms to facilitate face-to-face meetings critical to meeting construction timelines

Furnish on-site working space for subcontractors as well as shelter from inclement weather

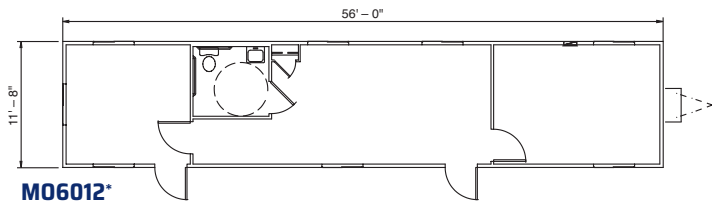

Offer construction personnel on-site convenience facilities such as kitchens and restrooms

We offer a wide selection of sizes and floorplans that meet a variety of portable office space needs. All of our mobile offices are made with durable, high quality materials that meet national and state building, electrical, mechanical and plumbing codes and are supported by the best customer service in the industry. We also provide a variety of additional products, including steps, ramps, and awnings, and convenient furniture packages thoughtfully designed to fit your space, saving you time and money, so that your space is outfitted with everything you need to be ready to work. No matter what business you're in, we have a mobile office trailer to keep you in business.
